Permission to use Images of Delegates

Adventure in Citizenship is an educational program giving delegates a first hand introduction to government in Australia. The program aims to increase delegates' awareness of their responsibilities as citizens, the values and privileges of being Australian, and the role of Canberra as the national capital of Australia.

Your permission, as parent/guardian, is required to use photographs of your child taken during the **Adventure in Citizenship Program** from **5 September to 12 September 2009**. These images may be used in promotion of the program by Rotary and/or the Parliamentary Education Office in printed, video and online materials.

Please note delegates will not be identified by name in any materials.

If, for any reason, you wish to withdraw permission for use of images including your child, please contact the Chairman RAIC 2009, who will ensure they are not used in any future material.

I hereby authorise the use of images of my child taken as part of the Adventure in Citizenship program in the ways mentioned above. I declare there are no restrictions that prevent me from granting these rights.
